STATINTL

Totals of Training group registrations in 1951

1. Following are the figures giving registrations of all training groups from May, 1951 through December, 1951:

UTG/A

General Intelligence
Russian

STAT

Professional Trainees

Clerical Refresher

Rapid Reading

Outside Language Training

STAT

STAT

Defense Schools

Full time
Lectures

*Orientation

STAT

*Indoctrination

STAT

TOTAL

*These figures are approximations, based primarily on the auditorium seating capacities.

STAT

2. Of this total, individuals were tested or instructed or both by OTR staff; were contacted through the Orientation and Indoctrination courses; were "handled" as assignments to training or lectures outside the Agency.

STAT

3. The Registrar's office was responsible for handling of these cases. Approximately of this number required the setting up of individual folders, distribution of evaluation sheets, and the posting of all information towards keeping each individual's training record current.
